# Easy Assembly!

## with the Tour Links® Modular Green System!

The Tour Links patented modular system makes installation a snap. Just slide the panels together and insert the fasteners. The interlocking teeth ensure proper panel alignment. Roll out the pre-cut turf, mount the obstacles on to the green and you're ready to play. Fore!

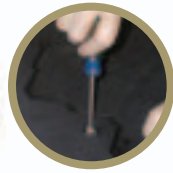

**00:00**

Unpack boxes.

**05:00**

Slide panels together.

*A screwdriver is the  
only tool necessary!*

**12:00**

Insert fasteners  
& drop in cups.

**14:00**

Roll ou the  
pre-cut turf.

**15:00**

Hole is ready for play.

Take the cost out of mini golf,  
keep the fun!

Mini Links was designed with one thing in mind, big-time FUN! The award winning Tour Links system easily turns any location into a profit producing business or event. The patented panel system allows for easy set up and shipping excellence never before seen in the portable mini golf market. It's simple: just link the panels together over any terrain and lay out the pre-cut turf. That's it! Plus, Mini Links holes are available with or without our challenging props.

- Great revenue generating potential
- Sets up anywhere crowds gather: Malls, Campsites, Stores, Stadiums, Showrooms, Event and Concert Halls, Festivals, Fairs, Expos
- Perfect for parties, corporate events, and tradeshow rentals
- Easy installation and easy on the checkbook
- Indoor or Outdoor
- Sold with and without props
- Fraction of the cost of a permanently constructed mini golf course
- Completely mobile, stores away neatly in the off season
- Fabulous fund raiser
- Awesome family fun

Thousands of serious golfers respect Tour Links putting greens as the best in the world. Add a big barrel of belly laughs and gargantuan good times, you have Mini Links.
